**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic internet as my provider because they were cheaper and locally based in the Bay Area. If you limit the competition in this space, then you will be doing the American people a disservice. Sonic provides me fast affordable broadband internet which is a critical service to my household for both entertainment and safety. Please do not trample over the American people and hand this entire industry to the major players so they can continue to charge more for these basic services.

Best Regards,

Jeremy Ford
